

# WHO WE ARE

## Mission Statement:

*The National Council of Jewish Women (NCJW) is a grassroots organization of volunteers and advocates who turn progressive ideals into action. Inspired by Jewish values, NCJW strives for social justice by improving the quality of life for women, children, and families and by safeguarding individual rights and freedoms.*

## History:

NCJW of Kansas City was founded in 1894, less than a year after the national organization was founded. The Greater Kansas City section began with just 17 members. Today, over 550 members contribute countless hours and funds to help children and families in our community.
